Greetings fellow glowbuggerites!

Just a note to alert you to the presence of several scans of firebottle
datasheets from a 1943 Westinghouse databook. They are in the VTData
directory on the Official Glowbugs FTP server located on....
triode.cc.tntech.edu

-or-

149.149.11.72 if there is problems with the DNS.
I will try to add more as time and the boss permits. If you need another
graphics format be sure to let me know.

Remember to check in with the group on 1802.5!
73 and ZUT!
